In search of the genetic cause of CMTC

Dr. Millan Patel (photo), Prof. Maurice van Steensel and Lex van der Heijden, will start an investigation into the genetic factors of CMTC. [More information>>](#)

The story of Elvira

“I was born with these legs and arms, so I'm used to them and I've not experienced anything else”, says Elvira van der Heijden, daughter of the founder of the CMTC association.

New attendance record at CMTC annual meeting

On Saturday, November 14th 2015 the annual global CMTC meeting took place in the Netherlands. There was a new attendance record: 126 participants from 10 countries. [More information>>](#)

CMTC-OVM Canada

In addition to our American organization, there is now also a Canadian CMTC-OVM organization. On the first members meeting in April 2016 in Toronto Lex van der Heijden will give a presentation. [More information>>](#)

Fact sheets & posters

It is now possible to download the CMTC information leaflet in different languages. This leaflet contains a general explanation of CMTC as well as some of the pictures from the website's photo gallery. [More information>>](#)
