LATEST NEWS AND ACTIVITIES

Family Weekend 2024

“It was so nice to finally be able to speak to all the families for a longer period of time,” said one of the participants of the first international family weekend on May 25 and 26, 2024.

The family members could participate in all kinds of activities (games, quizzes, BBQ, Apenheul (primate park)) and exchange experiences in the meantime.

International members conference October 25-27, 2024

The annual members conference will be held from October 25 to 27. Speakers from different countries will speak on various topics. Also the results of our “living loss” project will be presented. More information and registration in July.

International Familie Day in Efteling

Our International Family Day on July 6 will, like previous years, take place in Efteling (Theme park). Enjoy the park and its many attractions and meet other patients and families. Register before June 24!
